RE: Final results of changed circumstances review – tapered roller bearings from the People's Republic of China (A-570-601)

1. On 04/09/2015, Commerce published in the Federal Register (80 FR 19070) its final results in the changed circumstances review of the antidumping duty order on tapered roller bearings and parts thereof, finished and unfinished (TRBs), from the People's Republic of China (A-570-601).

2. Commerce has determined that Shanghai General Bearing Co., Ltd. (SGBC/SKF) is the successor-in-interest to a company of the same name (Shanghai General Bearing Company, Limited), an exporter of TRBs revoked from the order on TRBs from the People's Republic of China in 1997 (see 62 FR 6189). As a result of its changed circumstances review, Commerce finds that SGBC/SKF is entitled to SGBC's revoked status effective 08/01/2012.

3. Therefore, CBP is directed to terminate the suspension of liquidation for all shipments of TRBs from the PRC which were exported by SGBC/SKF and entered, or withdrawn from warehouse, for consumption on or after 08/01/2012. All such entries should be liquidated without regard to antidumping duties (i.e., refund all cash deposits). Entries may have been made under A-570-601-000.

4. Notice of the lifting of suspension of liquidation of entries of subject merchandise covered by paragraph 3 which were entered, or withdrawn from warehouse, for consumption on or after 08/01/2012 occurred with the publication of the final results of changed circumstances review (80 FR 19070, 04/09/2015). Unless instructed otherwise, for all other shipments of TRBs from the People's Republic of China you shall continue to collect cash deposits of estimated antidumping duties at the current rates.

5. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated

antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.
